CONGRATULATIONS!
Autoflex Leasing

On behalf of the city of Dallas, and my colleagues on the Dallas City Council, it gives me great pleasure to extend congratulations to Autoflex Leasing for their 2008 Consumers' Choice Award in the category of Automobile Leasing Company.

Since its establishment in 1986, the Consumers' Choice Award annually strives to identify those businesses which consumers feel have provided excellent products, services, and professional conduct. The award is based on surveys conducted by independent polling organizations commissioned by the Consumers' Choice Award. Celebrating its third anniversary in the Metroplex, the Consumers' Choice Award recognized more than sixty companies for business excellence at a recent black tie gala. As this award is based on a survey of residents and businesses in the Dallas/Ft. Worth metropolitan area, it is a most complimentary and prestigious honor for a business to receive.

Autoflex Leasing can be proud that its individual contributions to the Dallas/Ft. Worth business community are recognized and appreciated by its customers as well as by the city of Dallas.

Best wishes for your continued success!

Sincerely,
